Custom Orders

Looking to create a signature piece for a special occasion? We custom design and manufacture jewellery such as graduation rings for educational institutions, family crest rings, sporting rings, commemorative rings, and corporate jewellery.

Our jewellery consultant will assist with the design process to ensure it suits your requirements and budget. Bulk pricing discounts apply for large orders. As the next step, our highly skilled designers will design your jewellery in CAD. Once the design meets your approval, it will be manufactured by a team of expert craftsmen in our Thailand factory.

The timeframe for custom orders is 4-6 weeks.
